Attention: VIN Coordinator

Subject: VIN Decoding Information changes for **Wild West Motor Company**

RE: This letter is an **addendum** to our original "SAMPLE OF 565, 567 VIN SUBMISSION", submitted on 02/21/14, RE: *updates to 565, no Electric engines, Gasoline engines only & 49 CFR Part 567, Certification.*

Owner(s) of the Company: James Winn

City of Incorporation: Buckner, Ky, USA

Product Manufactured: Wild West Motor Company builds hybrid custom motorcycles using steel tubing, engines and transmissions, purchased from U.S. Suppliers. Sheet metal is manufactured in house on our English wheels and planishing hammers or stamped and/or blow molded by a U.S. Supplier.

Some vehicles are delivered as certified kits with all nuts, bolts and other components required to fully assemble U.S. market motorcycles requiring nothing more than simple hand tools.

GVWR: The gross vehicle weight ratings (GVWR) of our products range from 250 lb to 1,650 lb

Signed:

Typed Name: James L. Winn

Capacity of Signatory: Senior Partner

Date: December 29, 2015

In accordance with '565.7(c) of 49 CFR Part 565, *Vehicle Identification Number*, **Wild West Motor Company** hereby submits Vehicle Identification Number (VIN) decoding information.

Reporting Safety Defects

If you believe that your vehicle has a defect which could cause a crash or could cause injury or death, you should immediately inform the National Highway Traffic Safety Administration (NHTSA) in addition to notifying *Wild West Motor Co.*

If NHTSA receives similar complaints, it may open an investigation, and if it finds that a safety defect exists in a group of vehicles, it may order a recall and remedy campaign. However, NHTSA cannot become involved in any individual problems between you, your dealer, or *Wild West Motor Co.*

To contact NHTSA or to obtain motor vehicle safety information, you may go online at www.nhtsa.gov or call the Vehicle Safety Hotline (Monday-Friday, 8 am to 8 pm ET) at toll-free 888-327-4236; TTY: (800) 424-9153.
